++ Valid for broadcast between 1800 and 0600

Headline:
Cold, wet and windy tonight. Snow over hills.

This Evening and Tonight:
Continued outbreaks of rain overnight, some heavy, and still falling as snow across the tops of the Pennines and Cheviots. Feeling cold. Windy, especially near coasts. Minimum temperature 1 deg C (34 deg F).

Wednesday:
Further outbreaks of rain persisting but any snow likely to be confined to the hill tops in the north. Strong winds becoming confined to the north. Still generally cold. Maximum temperature 4 deg C (39 deg F).

Outlook for Thursday to Saturday:
Thursday, rain persisting in the north, drier interludes in south, where less cold. Friday and Saturday, further spells of rain likely, turning wintry later as colder east winds develop.
